

## HOW TO GET TO US

### FROM MEXICO CITY

Take a night bus to Xilitla in the state San Luis Potosi from **Terminal Norte**.

### FROM SAN LUIS POTOSI

Take a bus to Ciudad Valles (leaving every hour) and from there a bus to Xilitla (every two hours during the day). There are also a few direct buses but maybe more expensive and taking longer.

### FROM QUERETARO

There are direct buses. Flecha Amarilla takes a lot of stops, Primera Plus is faster.

### IN XILITLA

Take a colectivo to El Sabino. You find them just **50 meters further up the hill from the bus station**. (They are white/green Pick up trucks with rain covers.) They leave at 11 am (they are the only ones!). On Sundays they leave more often from 10 am until the last one at 3 pm. The colectivo costs 25 Pesos. A taxi would cost around 250 Pesos.

### IN EL SABINO

It is a **30 minute walk** through the forest. Be aware that it can be muddy during rainy season. When you arrive with the colectivo follow the road **down the hill** and take the **first one left**. Follow this concrete street until the end. On the gravel road go further **until the last house**. Before the house you should find an orange arrow tagged on the stones. Go right there and **follow the arrows** until you arrive at our place.
